

**Announcement of the Opening for
Dean of the School of Social Sciences,
National Chung Cheng University
Taiwan**

National Chung Cheng University, located in Chia-yi, Taiwan, invites nominations and applications for the position of Dean, School of Social Sciences, beginning August, 2013.

The successful nominee or applicant shall demonstrate the capacity to provide leadership in teaching and research, as well as in extramural relationship and community care; shall be able to coordinate and integrate the resources of the departments of the School of Social Sciences; shall be able to organize and lead the intramural and extramural research teams; and shall be enthusiastic in supporting the junior faculty members for their career success.

The School of Social Sciences currently consists of the undergraduate and graduate programs in the Department of Social Welfare, Psychology, Labor Relations, Political Science, Communication, and Strategic Studies & International Affairs. The School has 77 full-time faculty members of various levels of seniority, and 1681 undergraduate and graduate students.

The University shall provide accommodations for the selected candidate, and financial resources shall be supplied for the need of the School. Awards for distinguished performance and subsidies for publication are available at the University as well as the School.

Please visit the following website for details of the School of Social Sciences: <http://colsoc.ccu.edu.tw/chinese/news/index.php>

The nominee or applicant shall demonstrate a distinguished record in teaching, research, and professional service commensurate with the qualifications for the appointment as a full professor in a department of the School, and shall be aged 62 or less.

Please send the application materials and make sure the materials be received by April 29, 2013 (Taipei time); the materials shall include a letter detailing qualifications and interest in the position, curriculum vitae, references to: Search Committee for the Dean of the School of Social Sciences, National Chung Cheng University, 168 University Road, Minhsiung Township, Chiayi County, 62102, Taiwan, ROC
